Mega Credit Boost LLC

Refund Policy

.

Credit Repair Refund

• The cost for doing Credit Repair $2,.500.00 for all individuals and $9,995.00 for all couples whom need their credit repaired It all depends on package you've chosen.

• A full refund will only be given if you receive no deletions by the Credit Bureaus in 120 Days. If you receive even one deletion, no refund will be given!

• We know when you have received deletions with our software and will not tolerate any client that says they haven't received a deletion.

• If you apply for any credit while we are working on repairing your credit, we will automatically stop working on your credit and will drop you as a client.

• All work done, and the possibility of a refund is subject to the client's individual contract base on the clients for all services affiliated with Mega Credit Boost, LLC.
