OUR PROPOSAL:

Mega Boost Consulting has a well-deserved reputation for quality customer service. However, faced with changes in distribution systems, economic impacts to transportation and logistics, and limitations that prevent taking full advantage of improvements in technology Mega Boost Consulting faces the possibility of decreasing sales revenues due customer perceptions of slow delivery and services.

We have developed solutions to help businesses stay ahead of customer satisfaction trends and propose that Mega Boost Consulting implement a logistics solution focused on MCB LLC order management and automation of many manual steps in your delivery process. Our solution easily integrates with a wide range of off-the-shelf CRM solutions and can enable Mega Boost Consulting to fully realize the benefits of improved productivity throughout the entire sales cycle.

Most importantly, we provide the training and support for this new solution that ensures your staff can ramp up quickly and realize concrete improvements in sales closure, customer satisfaction, and sales metrics.

Execution Strategy Our execution strategy incorporates proven methodologies, extremely qualified personnel, and a highly responsive approach to managing deliverables. Following is a description of our project methods, including how the project will be developed, a proposed timeline of events, and reasons for why we suggest developing the project as described.

Resources Crystal Lake Holding has qualified resources that we use to ensure our client's get the Aged Corporation, business primary trade lines to show up on the corporation and the funding sources in order for our clients to receive funding for their Corporation. **Timeline for Execution**

Description Start Date End Date Duration
